This letter comes with my highest recommendation for Mrs. Tasha Candela. During my tenure, as the principal at Lake Shore High School, I have gotten to know Mrs. Candela very well and have come to know her as a true servant leader in the building. Her high degree of integrity and conscientious work ethic are unsurpassed. She possesses a genuine concern for the well-being of others and consistently has the students' best interest at heart with every decision she makes.

Mrs. Candela has been a leader of change as an instructor at Lake Shore High School. She developed and continues to update our building web site. She also took a lead role in updating our business curriculum. Her loyalty and caring for her students is unsurpassed. She takes some of our most difficult students and treats them like her own.

Mrs. Candela is a firm believer and promoter of the district's strategic plan. She is constantly working to improve community relations. She often creates opportunities for parents to get involved in their students' education. She enthusiastically embraces challenges and often volunteers to take on new responsibilities.

Finally, Mrs. Candela's unwavering loyalty and support, professionalism, dedication, commitment, vision, and unmatched integrity will make her a wonderful instructor in any district. If I had children Mrs. Candela is exactly the type of person I would choose to teach them through their educational career. Please feel free to contact me for additional information.

Sincerely,

Richard Bowers
Principal
