

and I still got
you a chocolate
bar

that envelope was
really obnoxious I'm
sorry

Yay I'm writing you another
letter! I was going to put glitter
in the envelope again but it's
almost midnight and my mom
doesn't trust me so I'm not going
to do that. but I'm glad I got
to spend another year with you!
You literally made my day every
day this trimester even when my
brother annoyed the crap out of
me like everyday. I just wanted
to say thank you for being
maybe one of the only teachers
that has ever really cared about
me & the rest of your students.
You never treated me differently
when you found out what I
go through and it honestly means
so much to me. You are one of
the most sweetest and most
genuine people I've ever met and
I feel like I'm writing a love
letter, but I seriously mean
that. My mom says she loves
you by the way and she said
your kids are adorable. I guess
you were an "OK" teacher.
I actually can tolerate you sometimes.
You're a pretty rad person Candela.
If I don't end up having a class
with you I will more than likely visit
you when I don't feel like being in
class. Thank you once again for

a great year and cheering me
up cause you really did. I hope
you have a wonderful summer!

Your favorite,

Erica Haase ♡

Also I hope you like the
picture I made isn't it
wonderful

And I don't know if
you like SOUR patch
kids but these are Canadian
and they might taste better
Idk
